In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Greenman-Pedersen, Inc., ranked number 2 on the referenced project short list.

The advertised project description provides that the scope of services is to provide Construction Engineering and Inspection services for the project, Rehabilitation of the Intracoastal Waterway Gulf Outlet Bridge on LA 47 in Orleans Parish.

The shortlist identifies Modjeski and Masters, Inc. as number 1 and Greenman-Pedersen, Inc. as number 2 in overall rank. However, I am selecting Greenman-Pedersen, Inc. in an effort to ensure that work be adequately spread across this industry for the type of work being performed.

For these reasons and as identified above, I have selected Greenman-Pedersen, Inc., Number 2.
