Q1. Does the contract fee include both the base and final ROW maps?

A1. At this time, it is anticipated that ROW mapping and associated services will be a small percentage of the total work effort and the estimated compensation identified in the advertisement is reflective of that effort.

Q2. Regarding MPR No. 13, can the experience of preparing NEPA documents such as Environmental Assessments for HUD funded CDBG projects, FEMA funded projects and USACE projects be used to meet this requirement?

A2. Yes.
