PLAQUEMINES PARISH**

Question and Answer

January 3, 2020:

- Q1. Is a bridge design QA/QC plan required to be submitted with the proposal for this advertisement?
- A1. No. A bridge design QA/QC plan is not required to be submitted with the consultant's proposal; however, a QA/QC plan will be required from the selected consultant for contract execution.
- Q2. The advertisement references the CQAP. Can that document be supplied for review?
- A2. The CQAP file has been provided next to Addendum No. 2.

January 10, 2020:

- Q3. Will there be any District Lab support or will all OVF testing be conducted by the independent lab (asphalt, concrete, soils, precast)?
- A3. The District labs will assist if available. The OV is to have an Independent lab at their disposal.
- Q4. Will the Independent lab have access to SiteManager Materials to input results?
- A4. No, the independent labs do not have access. The OV is responsible for inputting test results into SiteManager Materials.
