**CONTRACT NO. 4400010099**  
**RETAINER CONTRACT FOR OFF-SYSTEM COMPLEX BRIDGE LOAD RATING**  
**STATEWIDE**

Q1. For MPR No. 3c:

Can this MPR be fulfilled by more than one PE?

A1. yes

Q2. For MPR No. 3a:

We are assuming that since the requirement states “such as” that these bridge types given are examples and the personnel fulfilling this MPR is not required to have 5 years’ experience in EACH of those types of bridges but commensurate experience in these types of structures and not necessarily all these types of bridges.

A2. yes

Q3. Will the recent changes to the calculated workload be used for this advertisement?

A3. yes
