<b>Project Magnitude:</b>			Small		<b>Work Type(s):</b>		RX/CM					

\* Indicates the average past performance was assigned for at least one category.

Note: Sub-consultants receive the same Firm Size score as the prime consultant for the same proposal.

Note: The scores which are shown to two decimal places in this table have not been rounded. The numbers are shown to two decimal places for convenience so the table can be printed on 8 1/2" x 11" paper.

The actual values may vary by as much as +/- 0.005.
