In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Burk-Kleinpeter, Inc. (Number 2).

The advertised project description provides that the consultant will be required to provide all necessary engineering and related services required for developing plans for the replacement of forty (40) bridges on the State Highway System in Districts 08, 58 and 05. The shortlist identifies T. Baker Smith, L.L.C. as number 1; Burk-Kleinpeter, Inc. as number 2 and Sigma Consulting Group, Inc. as number 3 in overall rank. However, I am selecting Burk-Kleinpeter, Inc. to ensure that work is being adequately spread across this industry for the type of work being performed and with consideration given to the fact that T. Baker Smith, L.L.C. was selected for the same service covering a different set of districts.

As identified above and by adoption of this decision, I have selected Burk-Kleinpeter, Inc. (Number 2).
