IDIQ CONTRACTS FOR RIGHT OF WAY ASBESTOS INSPECTION SERVICES FOR PROJECTS STATEWIDE

QUESTIONS AND ANSWERS

- Q1** Since performing the work of the asbestos worker AND the inspector/contractor/supervisor could constitute a conflict of interest and because contractor/supervisor training includes the requirements of worker training, is the requirement for all three accurate?
- A1** See Advertisement Addendum No. 1 for revised minimum personnel requirements.
- Q2** Is there a standard turnaround time expected for onsite inspection?
- A2** There is no standard turnaround time for the onsite inspection. The consultant will perform the onsite inspection on their schedule in order to submit the reports by the task order completion date.
- Q3** Is there a standard turnaround time expected for reporting of results?
- A3** The estimated number of days and the required completion date will be provided in the task order query. Typically, the estimated number of days is 30, but this is subject to change based on the scope of the work and urgency of the request.
- Q4** If one of the roles in the Minimum Personnel Requirements cannot be filled by company personnel, can a sub-consultant be used to fulfill the role?
- A4** See Advertisement Addendum No. 1 for revised minimum personnel requirements.
