IDIQ Contract for Electrical Services
Statewide

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of G.E.C., Inc.

The advertised project description provides that this is a contract for electrical services statewide. This advertisement was for the selection of two firms. The short list identified Buchart Horn as number one and Modjeski & Masters as number two in overall rank. However, only .77 of a point was the difference between number two and number three, G.E.C., Inc. It is to be noted, that G.E.C. has previously held an electrical services retainer with DOTD and has done acceptable work on behalf of the department. Additionally, Modjeski & Masters has recently been selected for other contractual work with the department within the last six months.

Given the close rating and in the interest of providing some equity in work throughout the consultant community, I have selected the number three firm, G.E.C., Inc., as identified above.
