In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Aucoin & Associates, Inc. (Number 3).

The advertised project description provides that this is a contract for a consultant to provide all necessary engineering and related services required for developing plans for the replacement of one bridge in Avoyelles Parish, which is off the State Highway System. The shortlist identifies Boyd Holmes Engineering, Inc. as number 1, Morgan Goudeau & Associates, Inc. as number 2 and Aucoin & Associates, Inc. as number 3 in overall rank. However, I am selecting Aucoin & Associates, Inc. to ensure that work is being adequately spread across this industry for the type of work being performed and with consideration given to the project managers recommendation to select Aucoin & Associates, Inc. for this project.

As identified above and by adoption of the PPM's attached recommendation, I have selected Aucoin & Associates, Inc. (Number 3).
