RE: Contract No. 4400006822

State Project Number H.004985.2

I-12 to Bush Mitigation Plan & Related Work

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as documentation of my selection of Resource Environmental Solutions, LLC (Number 2).

The submittals for this project were evaluated via a two Tier System. Tier I evaluation considered the portion of the work the consultant would perform and the firm experience, staff experience and location. Tier II evaluated an Interview/Presentation. The difference between the total score of Number 1 and Number 2 was only 1.1 point. However, Resources Environmental Solutions, LLC scored 2.1 points higher for firm and staff experience. In addition, Number 2 is performing a much higher percentage of the work advertised as opposed to utilizing five (5) sub consultants. Overall, Resources Environmental Solutions, LLC is performing 90% as primary consultant to Providence's 34.75%

For these reasons, I have selected Number (2), Resources Environmental Solutions, LLC.
