> indicates the firm is too large. < indicates the firm is too small.

\* indicates the average previous work was assigned in at least one of the work categories for this firm.

P indicates the sub was assigned the same compatibility as the prime (if work is less than 10%)

Note: the scores which are shown to two decimal places in this table have not been rounded. The numbers are shown to two decimal places for convenience so the table can be printed on 8 1/2" x 11" paper. The actual values may vary by as much as +/- 0.005.
