Question and Answer

October 28, 2019:

- Q1. Regarding the referenced RFP, since this is a CE&I project, shouldn't there be MPR's for LADOTD certified inspectors?
- A1. No. The consultant should include in Section 12 of the DOTD 24-102 all relevant personnel the consultant believes is necessary to perform the Scope of Services, such as certified inspectors, and include their resumes in Section 14. Section 12 and Section 16 should convey the organizational structure and plan on how the consultant intends to deliver all the requirements and deliverables identified in the Scope of Services and allow DOTD to assess the consultant's ability to complete this project.
