Q1. Page 5 of the advertisement shows lighting at 2% of the fee and page 9 of the work category shows lighting at 21%. Please clarify.

A1. The amount on page 5 of the ad is for preliminary plans only. The percentage on page 9 is the percentage for preliminary and final plans.

Q2. Can the Minimum Personnel requirement 3(d) be fulfilled by a contract employee?

A2. Yes. As long as the contract employee is secured prior to the selection of the contract.

Q3. Is the intention during the scoring and selection process really to place more emphasis on the lighting (21%) than the bridge design (20%)?

A3. The percentages were calculated based on the man hours and work effort.
