In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Domingue, Szabo and Associates, Inc., ranked number 2 on the referenced project short list.

The advertised project description provides that the scope of services is to mill, patch, and overlay Fortune Road from Bonin Road to LA 89 in Youngsville, Louisiana.

The shortlist identifies Hartman Engineering, Inc. as number 1 and Domingue, Szabo and Associates, Inc. as number 2 in overall rank. At the request of the Chief Elected Official of the City of Youngsville, I am selecting Domingue, Szabo and Associates, Inc. This consultant possesses a particular familiarity with the area of the project and has a history of working with the City on various projects. Therefore, I am accepting the recommendation of the local entity in selecting this consultant with whom it has an established working relationship.

For these reasons and as identified above, I have selected Domingue, Szabo and Associates, Inc., Number 2.
