In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Lazenby & Associates, Inc., ranked number 2 on the referenced project short list.

The advertised project description provides that the scope of services for this contract is to provide engineering services to provide preliminary and final roadway plans and associated services for statewide projects.

The shortlist identifies Stanley Consultants, Inc., as number 1, Lazenby & Associates, Inc. as number 2, and Stantec Consulting Services Inc., as number 3 in overall rank. However, I am selecting Lazenby & Associates, Inc., in order to provide maximum resource availability for the provision of these services.

For these reasons, I have selected Lazenby & Associates, Inc., Number 2.
