RE: Selection Justification
Contract No. 44-00017007
Design Consultant- US 190 at Northshore and Camp Villere
St. Tammany Parish

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of T. Baker Smith, L.L.C.

The advertised project description provides that this is a contract for a design consultant to provide preconstruction design and plan development for the US 190 project. Three firms were shortlisted for this contract with Neel-Schaffer, T. Baker Smith and Sigma being #1, 2 and 3, respectively. All of these firms possess the capability to perform the work and have a track record of working for the department. In the interest of equity and productivity it is always incumbent upon me to consider past selections and the workload each firm has.

Given the past work awarded to the #1 firm over the past 12 months and there not being great disparity in the consultant ratings for this project, I have selected the number two firm, T. Baker Smith, L.L.C., as identified above.
