In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Duplantis Design Group, P.C., ranked number 3 on the referenced project short list.

The advertised project description provides that the scope of services is to mill, patch, and overlay Audubon Avenue from the Terrebonne/Lafourche Parish line to LA 1 in Thibodaux, Louisiana. The location of the referenced project is largely located within the corporate limits of the City of Thibodaux and the campus of Nichols State University.

The shortlist identifies Evans-Graves Engineers, Inc. as number 1, Meyer Engineers, Ltd. as number 2, and Duplantis Design Group, P.C. as number 3 in overall rank. At the request of the Chief Elected Official of the City of Thibodaux, I am selecting Duplantis Design Group, P.C. This consultant is very familiar with the City of Thibodaux, and is represented as having an excellent track record in working with the City. Therefore, I am accepting the recommendation of the local entity in selecting this consultant with whom it has an established working relationship.

For these reasons and as identified above, I have selected Duplantis Desgin Group, P.C., Number 3.
