Statewide

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Modjeski and Masters, Inc. (Number 1) and Forte & Tablada, Inc. (Number 3).

The advertised project description provides that the scope of services include that the selected consultant shall provide engineering and related services for statewide bridge rating, design and instrumentations.

The shortlist identifies Modjeski and Masters, Inc. as number 1, SDR Engineering Consultants, Inc. as number 2, Forte & Tablada, Inc. as number 3, and Stantec Consulting Services, Inc. as number 4 in overall rank. However, I am selecting Modjeski and Masters, Inc. and Forte & Tablada, Inc. in an effort to ensure that work is being adequately spread across this industry for the type of work being performed.

For these reasons and as identified above, I have selected Modjeski and Masters, Inc. (Number 1) and Forte & Tablada, Inc. (Number 3)
