RE: Selection Justification
Contract No. 4400019865
Off System Highway Bridge Program
North River Road Over Irving Branch
State Project No. H.014265.5
F.A.P. No. H014265
Tangipahoa Parish

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Infinity Engineering Consultants, Inc. (Number 3).

The advertised project description provides that this is a contract for a consultant to provide all necessary engineering and related services required for developing plans for the replacement of one bridge in Tangipahoa Parish, which is off the State Highway System. The shortlist identifies Monroe & Corie, Inc. as number 1, Rahman and Associates, Inc. as number 2 and Infinity Engineering Consultants, Inc. as number 3 in overall rank. However, I am selecting Infinity Engineering Consultants, Inc. to ensure that work is being adequately spread across this industry for the type of work being performed.

As identified above and by adoption of the PPM's attached recommendation, I have selected Infinity Engineering Consultants, Inc. (Number 3).
