RE: Selection Justification Contract No. 4400021531 IDIQ Professional Surveying Services Districts 08 and 58

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Chustz Surveying, L.L.C. (Number 3)

The advertised project description provides that the scope of services includes boundary surveying and related services for statewide projects covered by an IDIQ contract under separate Task Orders (TO). The services rendered in Districts 08 and 58 shall consist of property surveys, right-of-way maps and title take-off.

The shortlist identifies Coyle Engineering Co., Inc. number 1, Lazenby & Associates, Inc. as number 2, and Chustz Surveying, L.L.C. as number 3 in overall rank. However, I am selecting Chustz Surveying, L.L.C. in an effort to ensure that work is being adequately spread across this industry for the type of work being performed. I look to recent awards as an indicator in making these determinations.

For these reasons and as identified above, I have selected Chustz Surveying, L.L.C., Inc. (Number 3).
