In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of GEC, Inc.

The advertised project description provides that this is a contract for CE&I services to be performed for DOTD District 03. The short list identified Michael Baker as number 1 and GEC as number 2 in overall rank. It is important to note that GEC previously had the retainer for this district and still has subs working on taskers in the district. This project has a DBE goal of 5.0%, which GEC has exceeded with 9.7% of the work going to DBE firms. Lastly, Michael Baker has been selected for a CE&I retainer contract for District 07.

As identified above, I have selected GEC (2).
