In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Gresham, Smith and Partners (Number 2).

The advertised project description provides that this is a contract for a consultant to perform engineering and related services on preconstruction activities for safety-funded projects statewide. The shortlist identifies Digital Engineering & Imaging, Inc. as number 1, Gresham, Smith and Partners as number 2 and CH Fenstermaker & Associates, L.L.C. as number 3 in overall rank. However, I am selecting Gresham, Smith and Partners to ensure that work is being adequately spread across this industry for the type of work being performed.

As identified above and by adoption of the PPM's attached recommendation, I have selected Gresham, Smith and Partners (Number 2).
