In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Bonton Associates, L.L.C., ranked number 2 on the referenced project short list.

The advertised project description provides that the scope of services is to bring existing sidewalks on various routes in downtown Thibodaux up to ADA compliance and to construct handicapped curb ramps, as needed, in Thibodaux, Louisiana.

The shortlist identifies Providence Engineering & Environmental Group, L.L.C. as number 1, Bonton Associates, L.L.C. as number 2, and Mott MacDonald L.L.C. as number 3 in overall rank. However, I am selecting Bonton Associates, L.L.C. in an effort to ensure that work be adequately spread across this industry for the type of work being performed.

For these reasons and as identified above, I have selected Bonton Associates, L.L.C., Number 2.
