In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Arcadis U.S. Inc. (Number 2)

The advertised project description provides that the scope of services include that the selected consultant shall provide engineering and related services for replacement for the structures contained in Project Number H.000413.

The shortlist identifies Huval & Associates, Inc. number 1, Arcadis U.S., Inc. as number 2, and SDR Engineering Consultants, Inc. as number 3 in overall rank. However, I am selecting Arcadis U.S., Inc. in an effort to ensure that work be adequately spread across this industry for the type of work being performed and in consideration of recently allocated work.

For these reasons and as identified above, I have selected Arcadis U.S., Inc. (Number 2).
