MEMORANDUM

TO: Darhlene Major

FROM: Shawn D. Wilson, Ph.D.
Secretary
RE: Selection Justification
Contract No. 4400015520

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of WHPacific, Inc.

The advertised project description provides that this is a contract for CE&I services for a local entity project, Acadian Trail in West Baton Rouge. The short list identified Providence Engineering, Michael Baker and WHPacific, Inc. respectively listed in overall rank. In accordance with the aforementioned statute, a local entity may submit a non-binding recommendation to the Secretary for consideration. In the selection at hand, West Baton Rouge Parish has recommended WHPacific based on their past experience in the parish. While an entity recommendation is not the only consideration given, this project is a local entity driven and the parish will be the party contracting for construction. It is for these reasons, I have selected WHPacific, Inc.
