**CONTRACT NO. 4400004673
RETAINER CONTRACT FOR WEIGH STATION
DESIGN, RENOVATION AND UPGRADE
STATEWIDE**

QUESTIONS AND ANSWERS

Q1.) Does the scope include the design of weigh station buildings and scales, as well as the stated parking facilities, drainage, ramps, etc.?

A1.) Yes, the scope does include the design of the buildings and scales (both static and Weigh in Motion) for the weigh stations.

Q2.) Can the DBE Firm submitting as a Prime self-fulfill the 2% DBE goal?

A2.) A DBE can submit as a Prime as long as they satisfy all of the requirements of the Prime.

Q3.) Will experience in Package Sewerage Treatment Plants be beneficial?

A3.) yes

Q4.) Will a Landscape Architect be required?

A4.) No

Q5.) Should a Civil Engineer be required for general Civil/Civil Site work?

Q6.) The advertisement says that Topo survey and GeoTech are required. Should this be added to the Minimum Personnel Requirements?

Q7.) Will Property Acquisition be required?

Q8.) Depending on the project, should DOTD have an option of using an inspector from the engineer on the site?

A5-8) We are not inclined to change the Minimum Personnel Requirements for this Advertisement, however any and all pertinent experience will be considered.
