RE: Selection Justification
Contract No. 4400026839
Entity Contract for Carey St Pavement Rehabilitation (CE&I)
Project Short List

In accordance with Louisiana Revised Statute 48:293, this memorandum serves as justification for selection of Design Engineering, Inc., ranked number 2 on the referenced project short list.

The advertised project description provides that the scope of services is to provide Construction Engineering and Inspection services for the referenced project in coordination with St. Tammany Parish and DOTD District personnel.

According to the scoring of the project evaluation team, the number 2 ranked team has superior firm and staff experience for the type of work required for the project. In addition, the workload scoring indicates a greater capacity to perform the services by the second ranked firm.

For these reasons, I have selected Design Engineering, Inc. L.L.C., Number 2.
