State Project No. H.005403

F.A.P. No. H005403

Hooper Road Extension

Route LA 408

East Baton Rouge and Livingston Parishes

Q1. The Stage 0 also states that the conceptual design of the extension assumes that Hooper Road has not been widened to four lanes. No other study is listed in the advertisement and no other reference is made in the advertisement to the widening from Sullivan to Greenwell Springs Road. Will DOTD be providing another Stage 0 study or other information concerning the widening between Sullivan Road and Greenwell Springs Road? Does the Stage 1 scope of work cover the widening and the extension of Hooper Road?

A1. The funding title is listed as Hooper Road Extension, so we decided to call the widening from Sullivan to Hooper an extension of the four lanes to agree with the Funding Law. It was not mentioned in the Stage 0 but is in the scope of the project.
