Questions and Answers

Q1. Is a QA/QC plan document required to be submitted as part of the DOTD form 24-102 in response to this advertisement?

A1. Yes. Page 6 of the advertisement states “If the Scope of Services provided in Attachment A includes design of one (1) or more bridges and/or component parts thereof, the prime consultant shall submit a bridge design QA/QC plan document specifically developed for this contract as part of the DOTD Form 24-102.”

Addendum No. 1 June 7, 2018

Q2. Referring to the table on sheet 3 of 41, which identifies the Past Performance Rating Categories, the categories do not include construction engineering services. Which category are we to include the construction engineering services in this table or should they not be included?

A2. The electrical field inspection services are part of the bridge design and roadway lighting (BRL) past performance rating category in the table on page 3.
