Under normal circumstances, the LADOTD should remit payment to the contractor within thirty (30) days of approval of invoices. The LADOTD makes every effort to pay all valid or undisputed invoices in a timely manner. There may be times when invoices are disputed or clarification of charges is needed before payment can be made.

All financial, statistical, personal, technical, and other data and information relating to the LADOTD's operations that are designated confidential by the LADOTD and made available to the contractor in order to carry out this contract, or that becomes available to the contractor in carrying out this contract, shall be protected by the contractor from unauthorized use and disclosure through the observance of the same or more effective procedural requirements as are applicable to the LADOTD. Contractor shall not be required to keep confidential any data or information, that is or becomes publicly available, is already rightfully in the contractor’s possession, is independently developed by the contractor outside the scope of this contract, or is rightfully obtained from third parties.

4.2.3 COST

The maximum possible score for this criterion is 25 POINTS. Cost proposals will be scored proportionally, based on variance from the lowest total cost proposed. The cost evaluation will be based on the total cost submitted by the proposer on the Cost Proposal Worksheet (Appendix B).
The lowest cost proposal will be determined by calculating cost points using the following formula:

\[
\text{Cost points} = \left( \frac{\text{lowest total cost proposal/specific proposer’s total cost proposal}}{\text{point factor}} \right) \times \text{point factor}
\]

If the proposing firm is not a VHI small entrepreneurship but subcontracts with a VHI, **Proposer should provide detail description of work to be provided by VHI**, a proration of the 10 points will be added to their proposal score as outlined below. The Veteran or Hudson Initiative small entrepreneurship criteria do not designate a specific percentage of the total contract amount to be completed by a VHI subcontractor to receive reserve points however **proposer should provide the anticipated percentage of work to be done by the VHI**.

Ten percent (10%) of the total evaluation points on this RFP are reserved for proposers who are themselves a certified Veteran or Hudson Initiative small entrepreneurship or who will engage the participation of one or more certified Veteran or Hudson Initiatives small entrepreneurships as subcontractors.
