

Contract No. 4400001137
Retainer Contract for Rest Area Design
Statewide

Q. Where will most of the rest areas be constructed in the state?

A. This contract will cover projects statewide. The significant cities nearest to each of our existing facilities are Slidell, Pearl River, Kentwood, Butte La Rose, Opelousas, Lake Charles, Monroe, Ruston, and Shreveport. There is the possibility of a new welcome center north of Shreveport on I-49.
