> indicates the firm is too large. < indicates the firm is too small.

\* indicates the average past performance was assigned for at least one Work Category.

P indicates the sub was assigned the same Firm Size score as the prime.

Note: The scores which are shown to two decimal places in this table have not been rounded. The numbers are shown to two decimal places for convenience so the table can be printed on 8 1/2" x 11" paper. The actual values may vary by as much as +/- 0.005.
